Once upon a time, there was a very kind man named Jesus. He was very special because He loved everyone so much. One day, **Jesus** gave a big gift to all of us. He died on a cross to show how much He loves us. It made His friends very sad to see Jesus on the **cross**, but He did it to take away all the sad things we feel.

But guess what? The story doesn't end with being sad. After three days, something amazing happened. Jesus came back to life! This is what we call **Easter**. On Easter, Jesus's **tomb** was empty because He wasn't there anymore; He had **risen**! This made everyone very happy.

Jesus showed us that love is stronger than anything, even death. Because of Easter, we remember Jesus's love and the new life He gives us. We celebrate love, joy, and being kind to others, just like Jesus.

And that's why Easter is a special time. We remember how Jesus loves us so much that He came back to life to be with us forever. It's a happy time to say "thank you" to Jesus for His big love and to share **love** and kindness with everyone around us.
